THIS CELEBRATED WATERING PLACE

fortunate. Sent in sealed letter envelopes, free

I formerly called the North Carolina White Sulphur Springs, will be open for visitors on Tuesday, the first day of June. Being situated in the Northwestern part of the State, in a country remarkable for its beauty and healthfulness-these together with the virtue of the waters-make it one of the most desirable watering places to be found. The Mineral Waters of these Springs are the White and Blue Eulphur and Chalybeate or Iron, and they possess all the finest qualities of these

Waters, and are sovereign remedies for all diseases of the liver, bowels, stomach and kidneys eruptions of the skin, scrofula, weakness, debil ty, dyspepsia, rheumatism, &c., &c. The proprietor having spent a large amount in additional buildings and improvements generally. these Springs are now in a fine condition, rooms large and pleasant, and good cottages containing from two to six rooms each, well arranged for either large or small families.

Good ten pin alleys, billiard tables and other amusements. Fine BATH HOUSES for Pool Plunge or Shower Bath, and Sulphur Bath, hot or cold. A good Band of Music will be at the Springs the entire season, and a good Physician perma-nently located for the benefit of invalids, who may rest assured wil have every attention. Having secured the services of Mr. J. N. Carter, of Virginia, who has had much experience and stands high as a Hotel keeper, visitors may rest assured that our table will be supplied with the best the market can afford, and everything done that will add to their pleasure and comfort The cars on the Western North Carolina Bailroad will leave Salisbury for Hickory Station, the Springs depot, every morning (Sundays except ed) in connection with the North Carolina Rail road, avoiding delay or stoping at Salisbury, and arrive at Hickory Station in time for breakfast, where good hacks will be in readiness to take passengers over a beautiful, well shaded road to the Springs—a distance of six miles. As an inducement for families and parties to spend two months or more, I have concended to

out board down at the following low rates: Board for one single month \$50. Board for two or more months \$40 per month or at that rate. Board per week \$16. Board per day \$2 50.

Children under ten years of age and colored servants, half price. No charge for infants or children under two years of sge.
